Responsibilities

Person Centred Service Delivery

- Provide a welcoming reception, offering information, advice and guidance to support an individual to access the right service (DHI, DHI on-line or other).
- Work in a way which enables clients and communities to access a wide range of support, so they may exit the service as early as possible and sustain positive change.
- Undertake assessments and develop person centred support plans in collaboration with those requiring support. Person Centred assessments and Support Plans are tailored for and driven by the client, recognising their resources, strengths, aspirations and needs. Assessments and plans look beyond the presenting 'problem' and support clients to progress toward goals and aspirations using all available resources (e.g. clients' support network, online help, DHI and external agencies, clubs, activities and services).
- Support people to move through the service using the support plan as a dynamic document for change and give feedback on progress.
- Monitor and document the progress of individual clients, maintaining accurate, up-to-date, and confidential records that provide essential data.
- Identify, address, advocate, and escalate issues with clients as appropriate.
- To support service users to maximise their income including through applying for relevant welfare benefits, budgeting and money/debt management.

People and Performance

- Participate fully in regular supervision, team meetings, appraisals and learning and development activities.
- Contribute to a positive, collaborative, and person-centred culture and model DHI values in your behaviours.

Compliance

- Understand and adhere to all DHI's policies and procedures as well as good practice guidelines, legal and regulatory requirements.
